Additional Notes:

Carry-on bag must-haves:

- Diapers ~2x the amount you may normally need in case of delays
- Plenty of wipes, as you can use them for far more than just dirty bottoms
- Rash cream
- Changing pad
- Sanitizer
- At least 2 extra outfits (I packed 4 with a newborn)
- Plastic sacks for soiled items ~I fold up grocery sacks and use them
- Formula and Bottles ~Water will need to be purchased inside the terminal
- Bibs (disposables are nice for travels)
- Baby food, and spoons. Food pouches are great for older babies and eliminates the need for spoons.
- Small snacks
- Blankies and pacies (comfort items)
- Small toys and books
